

The Canada Winter Games were held in Nova Scotia from February 11 – 27, 2011, and members of the Canadian Ski Patrol System were there in full force to volunteer their skills.

Patrollers from across the country traveled to Nova Scotia to offer first aid services to the many events held in the Martock and Wentworth areas. Events covered included everything from the Biathlon and many other Nordic events to snowboarding, which included the half pipe and boarder cross, Freestyle events such as moguls and aerials, and Alpine events such as the slalom, giant slalom and Para events.

As stated by National Board members Richard Crooks and Bill Powell during the Games,

"We never cease to be impressed by the commitment, dedication and professionalism of our members. The patrollers have been recognized at each competitive event by the sport governing body and have been appreciated for their long hours and professionalism."

Here are a few endorsements from our partners:

"My sincere thanks go to your people. I do this for a living, you folks go out of your way to achieve excellence...."
